Re: Sentinel Industries, Ava, Missouri, Monthly Report – February 2023

Dear Mr. Nold:

February 2023 activities of general maintenance were completed. The 2nd Semiannual December 2022 Groundwater and Surface Water Sampling Report is attached to this letter.

Per our March 8, 2023, phone call, we will prepare summary documents of the sites remedial action history to assist with future planning.

There were no media or public inquiries.

Thank you,
